### Styled in Cork - The Sassy Shopper Bag

One of the newest and most popular fabrics on the market is Cork. You'll find it used in sofas, shoes, and our favourite – stylish handbags. In this class, you will be shown the best feet and sewing techniques your machine offers for sewing on this specialty fabric. During this class you will confidently begin the construction of your bag with the guidance provided and go home with all the materials to successfully complete your custom "Sassy Shopper" that you will be proud to wear anywhere. (the majority of the project will be completed in class)

If you do not have a machine or the accessories that will successfully sew this specialty fabric, please let us know as soon as possible so we can arrange these items for you.

**Fee includes Sassy Shopper Pattern and all materials and hardware for the bag. All you have to do is show up with machine in good working order and basic sewing kit.**

Time: Monday, May 13, 10:00 – 4:30 p.m. Fee: \$175 plus HST

## Event #2

### Ruler Work Tote

#### All Ruler Systems welcome – Bernina , Janome, Westalee

Ruler Work is the hottest quilting technique out there and you *have* these new Rulers! Now what? We are going to spend the day experimenting with your rulers as we quilt a detailed medallion on a panel and then transform it into a fashionable tote bag. We are also going to review the different ruler shapes including clamshells, orange peel, and waves, and show you how to use them in fills and borders. By the end of this class you will have a better idea on how and where to use the different motifs for your quilt blocks.

**If you haven't purchased Rulers and a Ruler Foot yet, we have all the ruler systems available in-store – 10% off - applies to Discount Card Members.**

Fee includes kit for one tote bag. Bring basic sewing kit, rulers and ruler foot, sewing machine in good working order and we will provide the rest. Bring your own lunch and refreshments.

Time: Tuesday, May 14, 10:00 – 4:30 p.m. Fee: \$150 plus HST
